Accounting is more than just a numbers to me. I enjoy being able to connect with my clients at a personal level in order to best understand their businesses and add value to their strategic business and personal goals. I strive to provide clients with the best outcome with strong emphasis on tax planning and structuring. I began my studies in Sydney at University of Technology, Sydney before moving to the Gold Coast and completing my degree.

DESCRIPTION OF ROLE

After moving to the Gold Coast in 2016, Nathan finished his Bachelor of Business at Southern Cross University. He started working in Public Accounting in 2018 locally here on the Gold Coast before joining Walsh in 2022. He works with a range of clients in a variety of industries providing accounting and tax advice as well as having a strong understanding of the income tax system. GST system, superannuation, cash flow management and Xero accounting software. Nathan understands the issues faced by many businesses and his hands on approach allows him to assist with the development of strategies to overcome issues and achieve goals.

PERSONAL INTERESTS

Outside of work, you can usually find Nathan on a golf course. If not on a golf course, you can find him watching sport and taking his puppy for adventures.
