I enjoy building strong relationships with my clients and being their trusted adviser when it comes to their business and personal tax affairs. It is not just about the numbers but being there for clients on their business journeys and giving them peace of mind that they are receiving the correct advice and meeting their obligations under the law.

## DESCRIPTION OF ROLE

I have been working in public practice on the Gold Coast for over 7 years and have worked with clients from a range of industries and sizes, particularly specialising in Management Rights and in the last few years timeshare operators. I am excited about starting my new role at Walsh Accountants and working with a friendly and supportive team to contribute to the success of the firm and our clients.

## PERSONAL INTERESTS

Outside of the office I enjoy playing sports such as soccer and tennis and spending time with my young family.
