It's extremely rewarding to work alongside the team at Walsh Accountants, as we strive to help our clients achieve their goals for the future. There are so many different circumstances that a client may find themselves in throughout the business life cycle and it is my job as an accountant to help the client navigate these challenges, and confidently prepare for the future.

DESCRIPTION OF ROLE

Kayleigh's role at Walsh Accountants is to support the senior managers and our clients the best that she can. This includes being able to assist with tax planning, providing software support, giving advice on various areas such as GST, Tax, CGT and Payroll, and working with clients to understand their business performance.

PERSONAL INTERESTS

Kayleigh is an avid traveller! Whether it's hitting the road for a camping trip, or hitting the slopes for a ski, you can guarantee that she will be planning for her next adventure.
