ADDITIONAL NOTES

Please note that substantial penalties can be imposed under the Income Tax Assessment Act if your tax return is found to be incorrect or the required information to support your claims is not available. If in the future a Tax Office audit finds the return to be incorrect and imposes penalties, the penalties will accrue from the date of lodgement of the tax return.

It is vital that you retain all documentation supporting claims in your tax return. You must keep these documents for a period of five (5) years.
