Any additional notes for your client manager?

Our intention for the 2024 financial year is to attend first to work received in a complete and comprehensive manner. If we receive incomplete documentation or your figures do not agree with your data files, our staff will contact you to fix these problems before we start preparation. Your accountant will not be starting work where there is missing or inadequate information.

We respectfully encourage you to work slowly through your checklist and make sure everything has been sent to us in the first instance.
